

THE VINES

# Tamarelli Vineyards Priorat 2021

**Region:** Priorat, Spain

**Members:** Wayne & Carol Tamarelli

**Winemaking partner:** Domink Huber - Tatjana Peceric

**Varietal Composition:** 60% Cariñena - 30% Garnacha/Cariñena blend, 10% Garnacha

**Altitude:** Average altitude is 1,640 feet above sea level

**Soil Composition:** Clay and schist

**Winemaking:** Ancient Burgundian vinification.

**Aging:** 10 month in cement vats

**Alcohol:** 14%

**Tasting Notes:** The wine has a beautiful fresh, purple color. On the nose, appealing red and black fruits like strawberry, blueberry, and cassis. On the palate, it is very elegant, profound and balanced, with present tannins and a lovely balance between alcohol, acidity and flavors. A typical graphite note from Carignan adds an interesting minerality to the mix. Ready to drink now, but can also age very nicely for several years.

**Production:** 300 bottles
